When Richie notices Lily's wardrobe malfunction, he uses it to his best advantage...

LILY CARTER & RICHIE

32963

“Um, Lily, honey, did you notice anything about that bathing suit?” Richie says, staring at her jutting nipple—his cock throbbing. Looking down, Lily’s dark brown eyes gaze at her puffy nubbin sticking out, yet more intrigued with her boyfriend’s bulging mast. Pulling down the rest of the top, she plays with her tits before kneeling down, releasing his hose from his pants, and engulfing every inch of his rod. Richie’s moans and incessant throbbing grows too much for him, and once Lily’s sweet cream starts raining down her legs, she slides the suit to the side, letting her man grasp the silky suit from the sides, while she slips down on his stiff staff. Feeling her up in reverse cowgirl, she starts playing with her billowy button before it fills up and bursts all over his cock. With the onslaught of her orgasm, Richie begins to fill up her pussy well—tightening up like a vise-grip. Hungry for his cum, she hops off—stroking his man-meat until she doesn’t miss a drop of his gooey paste. “You took that well, baby.” Richie says, “With or without clothes, you’re still smokin’!”

These Sapphic sluts are so loud—their neighbor can't get enough...

CHRISTINA, SHARON & JAMES

"Oh, fuck! Yeah, Sharon, stick that finger up my pussy!" Christina moans loudly, stopping once she hears the banging on the walls.

"Will you keep it down in there? Don't make me come over there!" their neighbor, James says.

"That's fine!" The girls say in unison.

Once the door opens, Sharon and Christina greet him with open mouths—as the girls both struggle for his rock-hard rod.

"Mmmm...yeah, girls, you need a cock in your life, don't you?" he musters, looking down at Christina licking his balls, while Sharon is shoving her face down his shaft.

As the girls lick their neighbor's pre-cum from each other's mouths, he moves Sharon into doggie—filling her up with his massive mast.

While James and Christina start kissing, Sharon then moves to Christina's pussy—licking her until droplets of her girl goo flow down Sharon's throat.

As James looks down, he starts to lose control, ramming into Sharon harder; just when Sharon explodes down his shaft. Feeling the tight pressure, he buckles—filling up her pussy with his boy batter—allowing each girl to take a droplet that flows down the back of her thighs.

After the girls finish kissing, James mews, "You girls are some neighborly sluts, I'll tell ya." Yes, they are! And we wouldn't want it any other way.

LISA ANN: CAN'T SAY NO

STARRING:

LISA ANN, JENNA PRESLEY,
ALYSHA RYLEE, JACK NAPIER,
JON JON, KARLO KARRERA,
LEXINGTON STEELE,
MANUEL FERRARA,
PRINCE YAHSHUA, TEE REEL

DIRECTED BY:
JONATHAN MORGAN

AVAILABLE FROM:
WICKED PICTURES

Lisa Ann is every man's wet dream cum true. There's nothing this superslut won't do, and in her hardest movie yet, the XXX legend proves just that...

With worldwide recognition surrounding her hardcore impersonation of controversial American politician, Sarah Palin, Lisa Ann is an impeccable seasoned player whose star continues to outshine most newbies in the jizz biz. A multiple award-winning actress whom is recognized for her erotic excellence, including earning the coveted title of "MILF/Cougar Performer of the Year" at 2009 and 2011's AVN Awards, Lisa Ann is as hot as they come. In fact, her body is a virtual wonderland of feminine delights that make her a favorite star amongst porn star aficionados.

From her cascading brown hair, bazooka boobs—not to mention her impressive double bubble—Lisa Ann is where it's at. With an angelic face, bangin' body, and hardcore style—movies that showcase her on the cover continually fly off the shelves at record rates, including such blockbuster pro-

ductions as: *Mandingo Hide Your Wives* from Jules Jordan Video, and Live Gonzo's, *Lisa Ann: Fantasy Girl*. Those prestigious accolades, along with her smoldering smile and killer pussy—are enough proof to say that like fine wine—this juicy grape is only getting better with age!

Agreeing wholeheartedly—director, Jonathan Morgan, and Wicked Pictures, have created a star showcase upon which to bask this beauty in the glowing spotlight she deserves. In this special project, Lisa Ann gives a personal nod to her legions of fans by allowing them not only to choose the porn stars she will fuck in the movie, and determine the gauntlet of spicy sexual scenarios she will face—but also the task of actually naming the production. With that said, we are pleased to bring you: *Lisa Ann: Can't Say No*, a six-scene masterpiece, created just for you.

When I arrive on set, Lisa is already in action. She's cascading down a flight of stairs wearing a hot pink skirt that barely houses her ample ass, and a matching bra that is screaming to stay fastened across her 38DD chest. Her silky, brown hair is neatly arranged in an elegant updo that accentuates the curve of her sexy shoulder blades, and her legs are wrapped in silk stockings. "Is this what you are going to wear to the restaurant?" Manuel Ferrara smiles, recording her every move with his handheld digital recorder. Seducing the camera with her glossy lips and juggling her jumbo tits in her palms, Lisa Ann teases, "I kind of had a change of plans."

Now together, Lisa Ann tears her monster titties out of her bra and shoves them into his camera lens. The lens fills, causing his boner to bulge and his shorts to tighten around his hips. Continuing with her naughty tease session, she bends around the staircase and allows Manuel to test the snap of her pussy and the elasticity of her asshole with his fingers. "Can I take your skirt off?" He continues, wedging his digits into her deep holes, while still trying to maintain proper focus with his camera. "Yes, please," this kinky kitty purrs—ready for more playful action.

LISA ANN, ALYSHA RYLEE & KARLO KARRERA

LISA ANN & LEXINGTON STEELE

"May I have this for dinner instead?" She continues, slamming his cock out of his shorts and into her mouth. With long, deliberate tongue swipes—Lisa Ann has his dick dripping with warm saliva in a matter of moments. Paying equal attention to pleasure his balls, Lisa Ann fills her mouth up with his nuts like a greedy chipmunk.

Now rendered a dripping wet mess, Lisa Ann is led to a buttery yellow couch, and is planted on her hands and knees in a well-crafted doggie squat. Sinking in from behind, Manuel slams his cock into her asshole—making her squawk and squeal like a prized parrot. Barreling back on him with the same intensity, these two bang against each other like drums. After several more anal and vaginal positions, Ferrara ends his POV performance by splashing his crème fraiche across her juicy melons.

From here, Lisa Ann goes back into the makeup chair, and reemerges looking like Aphrodite incarnate in a stripped bikini, turquoise jewels adorning her neck, and her hair pulled back into a sexy ponytail. Taking her place on a gilded chaise lounge, Lisa allows the sun to kiss her golden skin. After plenty of body ogling from Morgan's lens—we see Jenna Presley in the distance. Soon, she emerges from the water in a skimpy blue bikini, positively dripping with curvy goodness, from head to toe.

Standing above Lisa Ann, Jenna allows the water droplets from her body to cool her sexy conquest. Once she has Lisa's undivided attention, she lowers down and graces the smokin' siren with a flurry of passionate kisses that leaves both of their lips and bikini bottoms wet. Continuing with the skin show, Presley molds her small hands around Lisa Ann's womanly body—worshiping her every curve.

"You're so beautiful," Jenna delights, parking herself between Lisa's sculpted legs. Peeling her panties down, Jenna happily gets to work by smacking her mouth, tongue, and lips around her juicy box. "Suck that pussy," Lisa Ann hisses—holding Jenna down in place, stealing the breath from her lungs with some pussy-to-mouth connectivity. Eventually coming up for air—Presley looks fuck drunk and pussy happy as her chin glistens with splashes of Lisa's warm milk.

Afterwards, Jenna stands above Lisa Ann as they both pummel their pussies with slender fuck sticks in unison. In a matter of moments, Presley begins percolating with pop—literally spraying her squirt over Lisa's sweaty body. In a few more moments, she is hit by another one of Jenna's gooey gash blasts, followed by another. Once sufficiently dehydrated, Jenna falls to her knees and licks the squirt off Lisa's legs and stomach. It's an incredible sight, indeed, that leaves Morgan licking his lips behind his lens!

LISA ANN & JENNA PRESLEY

LISA ANN, JON JON, JACK NAPIER, TEE REEL, PRINCE YAHSHUA & LEXINGTON STEELE

Once Karlo has been sufficiently sucked—he grabs his pretty captor by the arms and leans her over a leather table. After removing her dress, he hikes her right leg up and impales her pretty pussy in standing doggie. Now leaning forward, Lisa Ann grabs Alysha and spreads her legs open. “It’s time for me to feed,” she hisses, eager to get a mouthful of pink meat. As Karlo continues splitting her seam—Lisa buries her face in Alysha’s soggy snapper, cleaning out the blonde beauty with exaggerated swipes from her pointed tongue.

From here, Lisa barks at her fellow sex fiends—urging Alysha to give up her asshole to Karlo so that she may watch. Unable to say no, Alysha gladly honors her master’s wishes, leaping on Karlo in reverse cowgirl position. Now on top, she sinks Karlo’s claw in her butt and energetically rides him out like a bronco bull. Helping her pummel his pole, Lisa Ann pushes on Alysha’s body, encouraging her to go harder and deeper and like a good little slut, she does!

Continuing with the sexual depravity of the day, Lisa Ann breaks down all barriers in her first interracial gangbang that has her pinned between five chocolate studs: Lexington Steele, Tee Reel, Jack Napier, Jon Jon, and Prince Yahshua. Entering their deviant domain in a gold skirt, cropped jacket, and stiletto heels—Lisa Ann looks every bit the part of a perfect porn slut. As she glides past the group of men—whom are sexily adorned in sleek black clothing that matches their dark complexions—she tastes each mouth with her lips, and inspects their jumbo-sized cocks with her hands.

As the second day of filming unfolds, Lisa Ann walks onto her industrial set looking like a world-class dominatrix—wearing a red vinyl dress with a leather flogger in her right hand. “You fuckers ready for me?” She hisses, getting into character. As she strolls around her dilapidated surroundings, she sees sexy blonde, Alysha Rylee tied up in chains, while Karlo Karrera—a well-hung hunk—fastened to a guillotine. Ready to entice her kinky captures with hardcore sex, she moans, “I should let you out so I can play!”

Soon they are free, and the girls are on their knees, slurping back Karlo’s cock as if enjoying a spicy bowl of spaghetti. Mastering his dick from up above, Lisa Ann wraps her red lips around his mushroom tip, while Alysha repeatedly pops his balls into and out of her mouth. “Oh, yeah, eat that shit,” Karrea chugs, watching these two beauties feast on his meaty parts with their happy tongues.

30 BEST OF CLUB

"Have at it, boys," she eventually smirks, planting herself down on lounge chair and spreading her legs open. One by one, the men invade her personal space, removing her clothing and pawing at her curvy body as if they were health inspectors. It's definitely a heart pounding type of situation.

Before too long, it's an absolute free for all with all five men doing exactly what they wish with Lisa Ann. Flipping her around and swapping her out from cock-to-cock, Lisa succumbs to double penetration annihilation followed by her being rendered airtight on a number of occasions. She responds well with a community blow bang session, followed by the men dousing their chocolate pudding across her creamy cupcakes. It's nothing short of delicious.

Although our time on set concludes when the last drop of baby batter hits her tits, we're happy to report that the party rages on. Also included in this production, is a jaw-dropping masturbation session that brings the house down, followed by a POV style blowjob that has Lexington Steele lowering his anchor down her skilled throat. It's everything you can imagine...and then some.

Truly delicious from end to end—Lisa Ann is perfectly idolized from every angle in this winning production, proving that she really *Can't Say No*. Sexually slick, seductive and very compromising—the results will leave us all on our knees in a deserved chant of, "We're not worthy!"

MADISON IVY & STARLET

***A carnal competition turns Sapphic
once these girls hit it off...***

"We can't move our hips the same way, Madison! That will look weird. Do this," Heather says, pushing her hands down Madison's flat belly. "Wow," she musters—I can tell you're wet."

While the photographer is clicking away, the two gaze into each other's eyes and start making out, pulling off their clothes, in order to get to their warm, wet bodies.

"Oh, yeah, I like that when you stick your tongue deep into her pussy like that," the photographer musters, getting a close-up of Heather's nose deep into Madison's pink. "Yeah, I got a great picture of her dripping cooze."

With Heather's protruding belly, she begins to move her hips up—waking up the sea while she screams out her pleasure. Handing over the glass dildo, the shutterfly gives the prop to Heather, asking her to lick it up, and "Put it in Madison's ass." Waiting until it's dripping wet and shiny from her saliva, Heather gently prods the toy in—before sliding it in all the way in and out. After Madison's puffin is hard and cherry-sized, Heather reaches around and fingers her hole—feeling her hands throb against the toy dildo that's wedged between her ass.

"That's a good girl, Madison," Heather musters. "I knew you had it in you to listen."

*When her man thinks she's a world-class model,
she gives him a world-class thrill instead...*

HALEY CUMMINGS & CHARLES

"I can't believe I'm about to fuck a model," Charles says, stroking Haley's huge tits—while moving his hands down to her pussy.

Not knowing that she's just a regular slut, she keeps him guessing, moving down to her knees, while sucking the life out of his cock. "Yeah, we do this technique on set," she moans, swirling her hand over his bulging ridges.

Sitting him down, she slides down on top of him in reverse cowgirl—leaning back while his gaze is mesmerized by her plump rump. "Oh, you fuck so good, baby!" Charles says, "I can tell you're a professional!" Loving every minute of his compliments, she starts to frig her middle, before cumming all the way down Charles's balls.

Knowing he's about to burst, she jumps off, holding her pillowy tits together so he can get better aim of his frothy jizz all down her nips.

"Yeah, I know the type," Haley says, licking the rest of his jizz from her fingers. "I think I'll use this inspiration for my next movie."

*When Gina visits her hardworking man at the office—
his work never gets done...*

GINA & SUNNY

"I was going to bring you food, honey, but I thought my pussy would feed you more," Gina says, opening up her legs on the couch in his office. Getting her pussy good and wet, she moves to her knees—filling up on man-meat.

"Mmm...you taste so good, baby. I can eat you up all day," she says, stroking her hands up and down the shaft until dribbles of pre-cum fall on your tongue.

Moving on top of Sunny on the couch, Gina lands on his cock—feeling her tender walls get stretched by his hard cock. Every time she plows down, her hood moves against the base of his cock—until she unleashes her lady load all down his pulsating prick.

"Fuck! Yeah, baby!" Sunny says, moving her hips more until his torrent white tornado fills up her pussy—giving her a delectable creampie.

"See, honey?" Gina sweetly says, "I just wanted to make sure you were nice and relaxed while at work. See you at home."

Interview by E. Edwards

Brooklyn Lee

Las Vegas, NV—From the gritty streets of the New York strip club scene to the breathtaking vistas as an LA porn queen, Brooklyn Lee was among the most honored starlets at this year's [2012] AVN Awards Show, in Las Vegas, where she swept every category she was nominated in—a rare feat, indeed: “Best All-Girl Group Sex Scene”, “Most Outrageous Sex Scene,” “Best Oral Sex Scene,” “Best Sex Scene in a Foreign Film,” plus the very coveted “Best New Starlet Award.” Really, it's no surprise, because Brooklyn has made her bones, so to speak, appearing in a variety of gonzo, feature, and parody films—including the award-winning *Spiderman XXX*. The Ohio born beauty, has singlehandedly amassed a career's worth of accomplishments in just three years and she shows no sign of slowing down. Up next for Brooklyn is the star-making vehicle, *Voracious* from Evil Angel, directed by the legendary John Stagliano. This haunting, exotic beauty looks ahead to more success in the very near future and CLUB EXTREME plans to be on hand to cover Brooklyn's every move. We were lucky enough to have a word with Brooklyn at this year's AVN awards, and this is what came out of the vixen's mouth.

CLUB EXTERME: What's the best part of being at AVN this year?

BROOKLYN LEE: My favorite part about being here at AVN is that I get to meet all the people that watch my movies, that review my movies, that I interact with on Twitter, and on ADT [Abstract Data Type], and it's so awesome to connect with these people that were previously faceless names. I get to see them in person, and hug them, and get to take pictures with them, and sign autographs. It's just really great to interact with the fans.

CE: Which company did you sign for this year in Vegas?

BL: I got to sign for my favorite company ever, Evil Angel. I was there to promote John Stagliano's latest project, *Voracious*.

CE: You star in *Voracious*, don't you? Do you do it all: anal, DP, girls?

BL: In the film I do a lot of things. I do my first DP. I get dominated by Sandra Romain. I have sex with Manuel Ferrara, which ain't a bad thing. Everything. [I did] A crazy blowjob with Rocco Siffredi. It was amazing. I'm so excited about it.

CE: So, Evil Angel definitely is your favorite company to work for?

BL: Absolutely! Absolutely!

CE: Congratulations on your recent five AVN awards, especially "Best New Starlet." Has the feeling of winning an award for every category you were nominated for sunk in yet?

BL: No! It hasn't at all. I still see myself as this odd, little creature struggling to find her place in the world. It doesn't compute that I've been graced with such amazing honors. Maybe I'm avoiding acceptance,

Birthday: June 1, 1989

Hometown: Ohio

Height: 5'5"

Weight: 115 lbs.

Movies: *Voracious* (Evil Angel), *Spiderman XXX* (Vivid), *Anal Fanatic 2* (Elegant Angel), *Official Friday The 13th Parody* (Zero Tolerance), *Mission Asspossible* (Private)

because of the associated responsibility and pressure. More likely, it's a matter of sheer disbelief. I'm not the girl that wins things. Over the past year, I've come a long way in my personal journey. I think this might be the year when I grow up into a bona fide adult star.

CE: How much does it mean to you to be named "Best New Starlet?"

BL: Considering the competition I was up against, it means a fucking lot! To be the stand-out amidst such amazing talent [Aiden Ashley, Bethany Benz,

Skin Diamond, Bibi Jones, Selena Rose, and Lexi Swallow, to name just a few] is mindblowing. Of course, I'd always hoped to win, I'm sure everyone does, but I fancy myself a realist. I thought Gracie [Glam], "Best New Starlet 2011," was playing tricks when she announced my name. Insane! Since I didn't see myself getting it, I was pulling for Skin Diamond. I think she's one of the most promising new girls, and has a unique beauty that transcends stereotypes. I know this is going to be a big year for her.

CE: What do you make of TMZ having some fun by comparing your acceptance speech to Martin Luther King's, "I Have A Dream" speech?

BL: I am well aware of the stark contrast in the contributions Mr. King Jr. and I have made to this world. Honestly, it was a little embarrassing to be in any way compared to such a revolutionary individual. I make sex movies. It was all in good, sarcastic fun, though. I'm just going to go with it. Hopefully, he's not rolling over in his grave, God rest his soul.

CE: Can you tell me how you came up with your porn name?

BL: My name was chosen mostly based on a desire for a pseudonym

City. It makes me sad to think about being away from my "home." I have this bizarre codependent relationship with that city.

CE: Can you tell me how your career as a stripper started in New York, and why you decided to branch out from stripping in clubs to making porn movies in the Valley?

BL: It [getting a dance gig] was literally as simple as walking into a club, finding the manager, traipsing around on stage during a 5-minute audition, and that was that. The money was fast and easy, but unreliable, and mostly depended on my particular mood that evening. Grumpy strippers don't make that much dough. I mostly did well—sometimes exceptionally—but the pace of the lifestyle was killing me. For some reason, I thought that transitioning into adult films would lead to stability and peace of mind. Looking back, this sounds preposterous, but thankfully—and perhaps serendipitously—I found it to be true.

CE: Had you always had in the back of your mind an interest in doing porn?

BL: Sexuality intrigued me long before I had any concept of my own. Once I learned how to make myself cum, I masturbated every chance I got—mercilessly attacking my poor, little clit. At that point, I had no thoughts of actually performing in any of

31410

that wasn't in over-circulation, and for which I could purchase all top-level domain names. I also happened to be living in New York at the time, so I'm sure that provided some of the inspiration. In hindsight, I should have done the old first pet name, first street you ever grew up on, thing. For me, that formula generates "Lola Graham," which sounds a lot better. Oh well, kind of too late now.

CE: Do you miss New York and what is the best thing about the City?

BL: Holy Fuck, yes! I miss it every day of my life. New York is the place where I began to find my confidence and freedom. I desperately miss the richness of the culture, walking everywhere and anywhere, and the relentless pulse of the

those movies. Hell, at that point, I didn't think I'd ever escape the Midwest. My perception of self as an erotic, lust-worthy being didn't come until much, much later.

CE: Can you describe for us your all-time hottest sex scene?

BL: As far as intensity is concerned, I'd say I probably work best with Nacho Vidal. To pinpoint a specific scene, that I couldn't do. Real life is an entirely different story, but on camera, well, he's got me.

28815

31411

CE: Before entering porn, did you study the business, or just enter it on a whim?

BL: Shooting *Voracious* in Los Angeles, Budapest, and Berlin, which was conceptualized and realized by the enigmatic genius of Mr. John Stagliano. I met him about six months ago, when he shot me for his Stretch Class series. He said, 'You have an interesting face. Do you like vampires?' I said yes, and he proceeded to throw a thick, metal collar around my neck and toss me the beginnings of a script. I read it, while he recorded. He seemed somewhat indifferent about my interpretation of the character, so I was extremely surprised when he called two weeks later, and told me we were headed to Europe on "An Evil Angel adventure." I don't think he had much confidence in what he was doing at the time, and even less in what I could bring to the table. 'Why would he? Who the hell was I?' He took a chance on me, and I think what we ended up doing is something pretty incredible. I found dark places within [me] that I didn't know existed. This movie is more or less a portrait of a feral, selfish, and violently sexual entity, surrounded by some of the industry's strongest

performers—and they even seemed somewhat perplexed by the hunger in this bizarre little girl. You can see it [the scenes] in installments before the final DVD releases at <http://voracious.evangel.com>.

CE: Are you a very dominant or submissive person?

BL: I'm both. Being submissive comes more naturally, but I believe it's also a much easier task. It's not difficult to relinquish control entirely to another. It is merely a test of how

31438

much one can endure and release. Now, dominance, that employs creativity and requires a cunning mind and an intricate balance of vehemence and coddling. These days, I've been dabbling in the latter.

CE: Have you ever done a gangbang on film or in person?

BL: I've never been gangbanged, but it's definitely on my bucket list. I'd love to be a part of Elegant Angel's, *Gangbanged* series and realize my fantasy of being overtaken by a team of football players. They don't have to be real football players, I'll pretend.

CE: Do you orgasm in every scene you perform in?

BL: Do you brush your teeth every night before you go to sleep?

CE: What sexual fantasy has come true for you since you started working in porn?

BL: Two words: Double Penetration.

CE: Where's the hottest place you've ever had sex?

BL: Hottest place was probably on a sandy beach in the Bahamas. I was sweating like a motherfucker. Oh, that's not what you meant. [Laughs]

CE: What size cock do you prefer?

BL: It ain't about form, it's about function. If your dick gets nice and hard, and you have a bit of rhythm in your hips, you can take me there.

CE: Are you a true bisexual, or do prefer one gender to the other?

BL: I love chicks, and I love chicks who love chicks even more. There's nothing worse than girls who try to gingerly flick it with their tongues from five feet away. Get your fucking face in there! Andy San

Dimas is my current favorite. Skin Diamond, Bobbi Starr, and Dana DeArmond are all on my hit list.

31411

CE: What's one sex toy you can't live without?

BL: Sex toys are for amateurs. I can accomplish everything I need to do to myself, or another girl, with my tongue, lips, and hands and feet.

CE: Name a male and female celebrity you would most like to have sex with and why?

BL: Mariska Hargitay, the hot female cop on "Law & Order: SVU," because I hold her responsible for turning me into a half-lesbian with that sassy little haircut, and conveniently tight sweaters. Christian Bale because something about seeing his body in *The Machinist*, really gets my twisted juices flowing. Plus, who wouldn't want to fuck Batman?

CE: What does the future hold for you?

BL: I want it all, I want it now, I want it hard, and I want it never to stop. I know, I know, all things come to an end—the good, the bad, and the in-between. And that, I suppose, is what makes the world turn.

Art is impressed that his tiny girl can take a big mast...

ABBIE & ART

"I know you want to fuck my tight, little pussy," Abbie musters to Art when his throbbing member pulses against her. "But, I'm feeling extra dirty."

Moving her on her back, Art begins to lap at her pussy—getting it nice and soft, but once she stops him and puts her legs over her head, he gets the hint, and starts to play with her back hole.

Shaking every time his finger prods inside her asshole, Art smiles, "Is this what you want, baby?" When her whimpers give him the answer, he slowly begins to prod inside—going inside her inch-by-inch, until he's balls-deep.

Feeling her tightness fill him up, he starts to sputter—splattering her tender walls with his boy batter.

"Oh, yeah! You were right, honey," Art says, kissing his girl. "You are one dirty fuck."

“Art moves
from one hole to
the next.”

***Hennesy is a great fuck and soon—
David and Sabby's bet is her command...***

HENNESSY, DAVID & SABBY

"Yeah, we heard that you're a great fuck," Sabby says, "but I bet you can't fuck both of us at the same time."

"Please!" she says, on her knees to suck off both men. "I thought you had a challenge for me."

Warming up their cocks, Hennessy's pussy starts to puff up as her girl goo floods the back of her knees.

"I'll show you how it's done: Sabby—go on the couch, and David—bring me that cock. I need to suck on it more." As the men listen to the directions, Sabby sits on the couch while Hennessy jumps on it like a hungry kitty. Bouncing up and down, David gets close enough for her to swallow his staff—marinating it in her mouth for a few more minutes.

Still fucking Sabby, she leans back looking, making sure that David could see her puffy, pink pucker, and tapping on it a few times, he finally wedges it balls-deep inside her until she has a double helping of hose.

Filling her both up, she erupts—jutting her girl goo all down their balls, until they fill up both her holes with their man wash.

Lounging around minutes later, Hennessy says, "See, boys, I'm the last person you want to compete with—especially in a carnal *cumpetition*."

*Hennessy lays
